

## Bernard Illievitz Fonds

<https://www.cjhn.ca/en/permalink/cjhn34039>

Collection: Bernard Illievitz Fonds  
Description Level: Fonds  
Material Format: textual record  
Physical Description: 10cm of textual records including two bound volumes

### Scope and Content:

The fonds consists of two bound volumes and a group of press clippings written or collected by Dr. Bernard Illievitz. The two volumes, one manuscript and one typescript, are both the title "Israel and Medicine." The manuscript edition features hand-drawn illustrations. Also included is one file of clippings. An earlier finding aid lists four additional items or folders, including an award from the Baron de Hirsch Institute, a medical diploma and various awards and certificates.
